

Learn the Craft of Dry-Laid Stone Masonry!
Spring 2017 Workshops & Event Schedule
April-May

Workshop Descriptions

Introductory Workshops are designed for drystone enthusiasts with little to no previous experience who would like to gain a basic understanding of drystone construction techniques. The pace will be comfortable and participants will learn the fundamental skills needed to build and repair a typical rock fence or retaining wall.

Workshop Logistics

The Conservancy strives to maintain a ratio of one experienced instructor per six participants, thus assuring plenty of individual attention. A typical workshop includes from 6 to 12 participants, with no more than 18 permitted. Introductory and Certification Prep Workshops run from 8:30 a.m. to 4:00 p.m. both days, beginning with a brief introduction to dry stone masonry construction and safety, followed by two days of hands-on instruction while restoring or building a dry stone fence or retaining wall. The Conservancy will provide work gloves, safety glasses and rock or brick hammers for those who do not already own or plan to buy them in advance of the workshop.

Workshop Registration

The two-day workshop fee is \$350.00. The fee includes a copy of our training manual *Building and Repairing Dry Stone Fences & Retaining Walls* to be handed out on the first day of the workshop, plus online access prior to the workshop for viewing our training videos *Walls of Stone* and *Building and Repairing Rock Fences and Retaining Walls*. Lunches are also included; however, if you have any unusual dietary restrictions please plan to bring your own food. Additionally, upon successful completion of an introductory workshop, participants are then eligible to participate on the Conservancy's Volunteer Work Days at no cost! For more information about our Volunteer Work Days, please contact the office.

To register for a Spring 2017 Workshop, please mail the enclosed registration form along with a **\$200.00 deposit** for each workshop you plan to attend. We accept payment in the form of cash, check and money order. We also take payment and registration on our website store. We will send an initial confirmation within a week of receipt as well as a final confirmation letter two weeks prior to the workshop with detailed instructions and directions to the workshop site.

You may email your registration form to hold a spot at dscadmin@drystone.org; however we must receive your deposit within five days to guarantee it. We greatly appreciate knowing well in advance if you are unable to attend so we can offer your spot to another person on the waiting list. **Deposits are refundable (less a \$25 cancellation fee) only if we hear from you at least two weeks prior to the first day of your workshop. Deposits are otherwise nonrefundable.**

Please be aware the number of participants in each workshop is limited and **workshops are often fully booked several weeks in advance.** We strongly recommend you reply quickly in order to guarantee your spot!

April 7th-8th (Fri & Sat) – “Shaker Village Rock Fence Workshop” (introductory)
Shaker Village of Pleasant Hill near Harrodsburg, Kentucky

This introductory workshop will be held at Shaker Village of Pleasant Hill near Harrodsburg, Kentucky. Workshop participants will rebuild sections of historic fences on this beautiful nature preserve which has more than 24 miles of historic rock fences. For on-site lodging and more information about Shaker Village, go to www.shakervillageky.org

April 22nd-23rd (Sat & Sun) – “Edge Fencing Workshop” (introductory)
Nicholasville, Kentucky

This introductory workshop will introduce techniques of the edge fence style of building a dry stone rock fence. Participants will learn the reasoning behind building a fence using this method. Workshop participants will rebuild sections of edge fences on this beautiful property in Nicholasville, Kentucky.

TBA– Volunteer Workday!!!
Lexington, Kentucky

The Volunteer Workday is for participants that have already taken one of our introductory workshops. The volunteer workday will be educational and fun. If you're interested in the Volunteer Workday, contact us at the office dscadmin@drystone.org

May 26th-27th (Fri & Sat) — “Spring 2017 Certification Exams”
Shaker Village of Pleasant Hill, near Harrodsburg, Kentucky.

Candidates may arrange to build their wallheads and other required special features on-site on Friday, May 26th. **Timed tests for all candidates, Saturday May 27th.** Certification program requirements and registration forms are available on our website at www.drystone.org or by contacting the office @ 859-266-4807.
